Списък за цитирания

на доц. д-р Галина Богданова,

представени за участие в конкурс за заемане на академичната длъжност „професор“ в област на висше образование, професионално направление 4.6. Информатика и компютърни науки, научна специалност „Информатика“ (Съвременни технологии за запазване, достъпност и защита на научно и културно наследство), обявен в "Държавен вестник", бр. 102/01.12.2020 г.

Информация за начина, по който е съставен този списък

За участие в конкурса се предлагат 44 цитирания, представени в Списъка - на публикации в SCOPUS на доц. д-р Галина Богданова. Списъкът представлява пълна извадка на **всички цитирания (без само цитиранията)** на доц. д-р Галина Богданова от всички публикации, които са в базата на SCOPUS до 20.01.2021 г. (https://www.scopus.com/authid/detail.uri?authorId=6603789174). Броят им е получен, след като са проверени всички цитирания на Галина Богданова на всички публикации в тази база на SCOPUS. Броят на цитиранията за всяка публикация е показан в списъка по-долу под съответната публикация, която се цитира, по следния начин:

„Цитира се от” (брой)

В скоби след текста *„Цитира се от”* е посочен общия брой на цитиранията за тази публикация.

От избраните 25 публикации, участващи в конкурса (точка 7.) в базата на СКОПУС има 14. Те са отбелязани в списъка с BOLD (за удобство на проверките). При сумиране на всички с тези цитирания с BOLD се оказват 44 цитирания в SCOPUS.
