IN MEMORIAM

Todor Gramchev
(1956–2015)

We are deeply saddened to announce that our colleague Professor Todor Gramchev suddenly passed away on October 18, 2015 at the age of only fifty nine, before he had time to achieve many of the things he was dreaming of. Excellent specialist in the domain of PDE, Professor Gramchev was one of the most active members of the Editorial Board of Serdica Mathematical Journal. Our mathematical community lost a tolerant colleague and a good friend who left indelible memories of talent, kindness and intelligence.
