

ЧАСТ I

СПИСЪК НА ПУБЛИКАЦИИТЕ

на д-р Младен Светославов Савов

Научни публикации: 17

Публикации в списания с импакт фактор: 17

Сумарен импакт фактор: 16.62

Среден импакт фактор: 0.977

Индивидуален импакт фактор за автора (осреднената сума на импакт фактор за статия разделен на броя на авторите): **0.5**

Бележка: Импакт факторът е точен за всички публикации до 2011 включително. За публикации издадени през 2012–2013 е взет импакт фактора от 2011.

Научни публикации

- [17] Patie, P. and Savov, M. (2013) “*Exponential functional of Lévy processes: Generalized Weierstrass products and Wiener-Hopf factorization*”, *Comptes Rendus Mathématique* **351**, No.9-10, 393–396. **IF: 0.477**
- [16] Aurzada, F., Doering, L. and Savov, M. (2013) “*Chung LIL for Lévy processes at small times*”, *Bernoulli* **19**, No.1, 115–136, **IF: 0.94**
- [15] Kolb, M., Savov, M. and Wübker, A. (2013) “*Geometric ergodicity of a hypoelliptic diffusion modelling of the melt-spinning process of nonwoven materials*”, *SIAM J. Math. Anal.* **45** No.1, 1–13, **IF: 1.573**
- [14] Patie, P. and Savov, M. (2012) “*Extended factorizations of exponential functionals of Lévy processes*”, *Electron. J. of Probab.* **17**, No.38, 1–22, **IF: 0.785**
- [13] Pardo, J.C., Patie, P. and Savov, M. (2012) “*A Wiener-Hopf type of factorization for the exponential functional of Lévy processes*”, *J. of London Math. Soc.* **96** (2), 930–956, **IF: 0.80**
