To whom it may concern

Herewith I wish to reconfirm that the paper

Methods for Modelling of Overall Telecommunication Systems
Stoyan Poryazov, Velin Andonov, Emiliya Saranova

has been accepted after a strict peer review process for inclusion in the new volume:

Research in Computer Science in the Bulgarian Academy of Sciences
Editor: Krassimir T. Atanassov

to be published by Springer as a special commemorative volume dedicated to the 150-th Anniversary of the Bulgarian Academy of Sciences.

The volume is scheduled to appear in next months in Springer's Studies in Computational Intelligence book series: <https://www.springer.com/series/11156>.
