

## **Presentation of Competition of journal “Mathematica” for grades 8-12**

**Name of Competition:** Competition of journal “Mathematica” for grades 8-12

**Area:** Mathematics

**Style of Competition:**

- Inclusive
- Correspondence
- For individuals
- Nation wide

**Target Group:** All students of grades 8-12, who are interested in mathematics

**Age of Participants:** 13-18 years

**School level of Participants:** 8-12 grade.

**Number of Participants in the Last Years:** The competition was renewed from the autumn of 2007. Before it was organized from 1962 to 1998, with about 200 participants each year.

**History of Competition:** The competition of journal “Mathematica” for grades 8-12 was the first mathematical competition of this kind in Bulgaria. It is organized by “Mathematica”. Most of the winners have excellent results in other competitions as well.

**Financial Basis of the competition:** The main sponsor is the journal “Mathematica”. Through the years, it has been supported by other organizations.

**Results Scored:** The solutions of the participants (in both stages) are carefully checked and marked by a jury, appointed by the Editorial board of “Matematica”. The best scored contestants receive awards from the journal and sponsors.

**Contact Address:** 58A, Chehov str., Sofia 1113
