

## Journal Matematica

**Name of Journal:** Matematica

**ISSN:** 0204-6881

**Aria:** Mathematics

**Periodicity:** Six issues per year

**Year of first issue:** 1962

**Editorial Board:** Rusi Rusev, Gencho Skordev, Nikolay Hadzhiivanov, Marin Marinov, Stoyko Stoykov, Snezhana Chocheva, Nikolai Raikov

**Editor:** Rusi Rusev

**Language:** Bulgarian

**Style of Journal:** Articles, Short communications, Reviews, Editorial articles, Information for competitions and educational events, New technologies, Journal competition, Problems' sections

**Reviewing:** Articles are published after reviewing mainly by members of the Editorial Board and in some cases by Bulgarian and/or Foreign reviewers

**Target Group:** Students from primary, secondary and high schools, colleges, teachers, educators

**Short Annotation:** The journal targets all important groups in the Mathematical education in Bulgaria by its six main themes:

1. grades 4-7 as background for the development of the talented students and for all other students who need better mathematical education
2. preparation for the exams after grade 7 as competition for high schools
3. grades 8-12 as one of the main journals for Olympiad problems in Bulgaria
4. competition for grades 5-7 in two stages
5. competition for grades 8-12
6. preparation for final exams and university exams

The journal publishes the information (problems with solutions, winners) for all major competitions in Bulgaria and for the BMO and IMO.

**Journal Content:** The content of Matematica 5/2007 is:

48 <sup>th</sup> International Mathematical Olympiad.....	2
E. Kolev, N. Nikolov, P. Boyvalenkov, I. Landjev	
On n-point of a triangle.....	9
A. Gushev, A. Gushev, V. Gushev	
Balkan Mathematical Olympiad 2007.....	14
O. Mushkarov, N. Nikolov, P. Boyvalenkov	
National Mathematical Competition for Language High Schools Lovetch 2007.....	17
Tests for input level.....	24
D. Videnova	
11 <sup>th</sup> Junior Balkan Mathematical Olympiad.....	29

I. Tonov	
Test for students after grade 7.....	32
Square leaves and the Pitagoras' Theorem.....	37
J. Georgiev, M. Petkova	
Competition for grades 5-7.....	42
Problems for grades 4-7.....	43
Solutions of problems for grades 4-7.....	44
Admission problems for grade 5, Math High School, Bourgas.....	48
S. Slavov	
Competition for grades 8-12.....	50
Problems.....	51
Solutions.....	52
Answers, Hints, Solutions.....	62

**History of Journal:** Ministry of Education initiated publishing the journal in 1962. The first Principal Editor was Alipi Mateev. Over the years, the journal is one of the main sources of mathematical materials for teachers and students.

**Support of Journal:** The journal is distributed mainly on subscription. It is supported morally by the whole mathematical community and the UBM, in particular.

**Address of Journal:** 58A, Chehov str., Sofia 1113

**E-mail for Contacts:** peter@moi.math.bas.bg
