

# INVITATION TO PARTICIPATE

## in Seventh International Scientific Conference "Innovative STEM Education" (STEMedu-2025)

05-10 October 2025, Veliko Tarnovo, Bulgaria

International scientific conference STEMedu-2025 will be held from October 05 to 10, 2025 (STEM - Science, Technology, Engineering, and Mathematics). The forum has an interdisciplinary character, continuing the ideas laid down in the previous editions of the conference. In 2025, a broad-spectrum interpretation of innovations and innovative educational technologies will be leading, as a special aspect of the forum will be accessibility technologies for people with special needs and applications of new mathematical methods and technologies in diverse scientific fields.

Within STEMedu-2025, reports of scientists and young specialists from Bulgaria and abroad will be presented: scientific reports - up to 20 min; messages - up to 10 min. and posters. The conference papers, after double-blind peer review, will be published in an online collection (Science Series "Innovative STEM Education", Book 7, 2025, ISSN: 2683-1333). Selected papers will be published in a special issue of the "Mathematics" journal.
