Now, the following NEWS are available at the web-site menu:

<http://www.cankaya.edu.tr/fda08/awards.php>

#### FDA08 Young Author Awards

The awards will be given for outstanding achievements and

- significant theoretical contributions in the field of the fractional calculus: Riemann-Liouville Award
- significant contributions in the field of the applications of the fractional calculus: Mittag-Leffler Award

Other possible awards are currently also discussed. The criteria will include high technical quality and very good presentations of manuscripts during the third workshop on Fractional Differentiation and its Applications, Ankara, Turkey, 05-07 November, 2008.

Please, follow the actual information and conditions that will be announced at the web-site. The candidates are going to submit their papers before 15 April 2008.

*On behalf of the International Program Committee*
