Dear colleagues:

On behalf of the Organizing Committee, it gives us great pleasure to invite you to the ICNPAA 2010 World Congress: **8th International Conference on Mathematical Problems in Engineering, Aerospace and Sciences**, which will be held at INPE (National Institute for Space Research), São José dos Campos (SP), Brazil, during June 30 - July 3, 2010.

The ICNPAA conference series is aimed to bring together scholars, leading researchers and experts from diverse backgrounds and applications areas. Special emphasis is placed on promoting interaction between the theoretical, experimental, and applied communities, so that a high level exchange in new and emerging areas within engineering, aerospace, all areas of sciences and applied mathematics is achieved.

The conference series has so far been an important biennial event and has attracted many scientists, engineers and researchers from academia, government laboratories, and industry internationally.

We look forward to welcoming you all to INPE, Brazil in 2010, and hope your stay will both be rewarding and enjoyable!
