

4th INTERNATIONAL CONFERENCE
“Analytic Methods of Analysis and Differential Equations”
(AMADE-2006)

Second Announcement

Dear Professor

Belarusian State University (BSU) and Institute of Mathematics of Belarusian National Academy of Sciences together with Moscow State University organize the 4th International Conference “Analytic Methods of Analysis and Differential Equations” (AMADE-2006) on September 13-19, 2006, in Minsk, Belarus.

Arrival and departure days: September 12th and September 20th, 2006.

The Conference will be held under the guidance of ISAAC (International Society for Analysis, its Applications and Computation). It is supported by Belarusian Fund for Fundamental Scientific Research.

The Section Titles of AMADE-2006:

1. Integral Transforms and Special Functions.
2. Differential Equations and Applications.
3. Integral, Difference, Functional Equations and Fractional Calculus.
4. Real and Complex Analysis.

In the framework of Section 2 it will be organized the subsection “Hyperbolic differential equations and applications”; organizers - Prof. M. Reissig (Germany), Prof. E. Radkevich (Russia).

The longitude of plenary invited lectures is 45 min, reports - 20 min, and short communications - 10 min. Proceedings of Conference are supposed to be published in the journals “Integral Transforms and Special Functions” and “Proceedings Institute of Mathematics. Minsk”.

Let us know up to March 15, 2006, about Your intention to participate in the Conference. Would you like, please, to send the following information:

1. Name, Surname
2. Affiliation and Position
3. Mailing Address and Telephone (FAX)
