Dear Professor Markov,

I am happy to inform you that the Governing Council of GAMM has agreed to your application of forming a National Section of GAMM in Bulgaria.

I should inform you again that all members of GAMM in Bulgaria are automatically members of the National Section.

Please inform me as soon as possible who will be the Chair and the officers (if any) of the Bulgarian National Section. Your information will then be published as an official information in the GAMM-Rundbrief.

I look forward to receiving your answer.

Yours sincerely,

Prof. Dr. G. Alefeld
