

XVIIth International Summer Conference on Probability and Statistics (ISCPS),
25. 06. 2016 – 01. 07. 2016, Pomorie, Bulgaria
First Announcement

Dear Friends,

Bulgarian Statistical Society (BSD) is pleased to announce the XVIIth International Summer Conference on Probability and Statistics to be held from 25th June to 1st July 2016 in Pomorie, Bulgaria. Co-organizers of the event are the Institute of Mathematics and Informatics of the Bulgarian Academy of Sciences and the Faculty of Mathematics and Informatics of the Sofia University “St. Kliment Ohridski”.

In the spirit of the previous conferences, ISCPS 2016 will bring forth recent advances and trends in stochastics. We plan to organize several sessions in the field of

- Stochastic Processes,
- Limit Theorems,
- Financial Mathematics,
- Combinatorial Analysis,
- Theoretical and Applied Statistics,
- Applications in Biology, Industry, Economics and Education of Statistics.

The conference website is <http://www.math.bas.bg/~statlab/ISCPS2016/>

Please forward this announcement to your colleagues who might be interested in attending the conference.

For the correspondence and additional information, please, use the e-mail

statlab@math.bas.bg of the Secretaries of the Organizing Committee Rossen Krachunov and Nina Daskalova.

We look forward to welcoming you in Pomorie.

With our best regards,

Eugenia Stoimenova,
Maroussia Bojkova
(on behalf of Organizers)
