

First Announcement

Dear Friends,

Bulgarian Statistical Society (BSD) is pleased to announce the XIX-th International Summer Conference on Probability and Statistics to be held on 25 – 30 June, 2020 in Pomorie, Bulgaria. Co-organizers of the event are the Institute of Mathematics and Informatics of the Bulgarian Academy of Sciences and the Faculty of Mathematics and Informatics of the Sofia University "St. Kliment Ohridski".

In the spirit of the previous conferences, ISCPS 2020 will bring forth recent advances and trends in Stochastic processes, Probability theory and Statistical Inference with special emphasis on Branching processes, Order statistics, Stochastic modelling and Reliability, Biostatistics. Organization and suggestion of special sessions within the framework will be strongly encouraged.

More information could be found at <http://www.math.bas.bg/~statlab/ISCPS2020/>

We cordially invite you to attend the ISCPS'20 and present your research and contribute to the further development of the field of stochastics. We appreciate if you share this information with to your colleagues who might be interested in attending the conference.

We look forward to welcoming you in Pomorie.

With our best regards,

Eugenia Stoimenova,
Maroussia Bojkova
(on behalf of Organizers)
