

INVITATION TO PARTICIPATE

In Seventh International Scientific Conference

"Innovative STEM Education" STEMedu-2025

05-10 October 2025,

Veliko Tarnovo, Bulgaria and online - hybrid version

International scientific conference STEMedu-2025 will be held from October 05 to 10, 2025 (STEM - Science, Technology, Engineering, (Art,) and Mathematics). The forum has an interdisciplinary character, continuing the ideas laid down in the previous editions of the conference. In 2025, a broad-spectrum interpretation of innovations and innovative educational technologies will be leading, as a special aspect of the forum will be accessibility technologies for people with special needs and applications of new mathematical methods in diverse scientific fields.

Within STEMedu-2025, reports of scientists and young specialists from Bulgaria and abroad will be presented: scientific reports - up to 20 min; messages - up to 10 min. and posters. The conference papers, after double-blind peer review, will be published in an online collection (Science Series "Innovative STEM Education", Book 7, 2025, ISSN: 2683-1333). Selected papers will be published in a special issue "Selected Papers from the Innovative STEM Education" of the Mathematics journal.
